“REVERSE MENTORING FOR IMPROVING E-SKILLS ADULTS FOR DIGITAL COMPETENCES”

Dissemination workshop provides a briefing on activities of MENTORING CHANGE and practical experiences regarding the implementation of an innovative Career-Mentoring approach and gives an opportunity to stakeholders to learn and discuss the key challenges related to accessibility, sustainability, and quality of the project.

This activity is directly related to all priorities of the project :

- Addressing digital transformation through the development of digital readiness, resilience, and capacity
- Creating upskilling pathways, improving accessibility, and increasing take-up of adult education
 - Improving the availability of high-quality learning opportunities for adults
